Sandra Whiting

Closing Hymn

"Glory, Glory, Hallelujah"

Benediction & Amen

Dea. Janae Johnson

Our Mission

is sharing the gospel of Jesus Christ, bringing the Good News of salvation to the lost, making disciples of the nations, and edifying the church through love.

SEPARATING DAY & NIGHT

Right after God created the heaven and the earth, what did God do next? God *divided* the light from the darkness. In 1 John 1: 5 it says: "that God is light and in Him is **no darkness** at all."

God's purpose for light is direction. God's purpose for light is order. Just before God brought the Hebrews out of Egypt He said this to Pharaoh: "I will make a difference between My people and your people." God drew a line between light and darkness. Yes, the church will face darkness but the church cannot walk in darkness. LIGHT and darkness have no agreement. John 1: 5 says: "And the light shines in the darkness, and the darkness did not **comprehend** it.

How will we know the light? Light never hides. Light always rejoices in the truth. Light will never agree with darkness. Light pleases God and neither grieves Him nor challenges Him. Light says "Yes" to everything God wants and "Amen" to everything God does. To be useful to God and to be effective in this time, we must master walking without darkness. It is day; choose the light.

Love, Apostle

I've Got My War Clothes On
